

PREGNANCY RESOURCES

OF DELAWARE COUNTY

2026 SPRING NEWSLETTER

Community **GENEROSITY**

Through several recent diaper drives hosted by local churches, businesses, and generous individuals, PRDC has received thousands of diapers and wipes for the families we serve.

Diapers are one of the most requested and most expensive necessities for new parents.

Because of these drives, we can say “yes” when families need support.

To every organization, church, and individual who hosted, donated, packed, delivered, or prayed — thank you. Your generosity is meeting real needs and reminding our clients that they are not alone.

Crossroads Chiropractic recently hosted a fundraiser in support of the PRDC and our mission, and we are beyond grateful! Thank you to your incredible patients who generously gave to the Gift of Health Campaign—your kindness truly makes a difference. Dr. Stephen and his amazing team even stopped by the center to personally deliver their generous gift. We are so thankful for these wonderful people who are wholeheartedly invested in children and families. **THANK YOU!**

Flourishing TOGETHER

Pictured are just a few of the moms and children who regularly attend our community groups, including Moms Group and Connect Group. This year, we have several wonderful opportunities planned for our clients. In March, a participant from our **Leadership Flourish Collective** will share practical tips on saving money and creating meaningful, low-cost fun with her kids. We're also grateful that the YMCA has opened its doors to PRDC, providing additional space for us to host an Infant CPR and Safety Class. We are deeply thankful for the strong community support that makes these opportunities possible.

Honoring Catherine Wood, Founder Emerita

At our recent Vision Dinner, we had the incredible privilege of honoring our Founder Emerita, Catherine Wood, with the Life Champion Award.

After decades of faithful service to the pro-life community – including 18 years of dedicated leadership as a board member – Catherine’s courage, vision, and unwavering commitment to life have impacted generations of families in our region.

What began as a calling on her heart grew into a ministry that continues to stand in the gap for women, men, and babies every single day.

Her perseverance, bold faith, and steadfast leadership laid the foundation for everything PRDC is today.

We are deeply grateful for the legacy she has built and the countless lives touched because she said “yes.” Please join us in celebrating a true Life Champion. Her impact continues to bear fruit.

TAMMY SAPP RETIREMENT

After more than a decade of faithful service – both as a dedicated volunteer and later as our Office Manager – Tammy is retiring from her official role at PRDC, marking the close of a truly meaningful season in our ministry.

Over the years, she has generously given her time, leadership, and heart to this mission. Whether serving behind the scenes as a volunteer or faithfully stewarding the daily operations as Office Manager, Tammy has led with wisdom, compassion, and steady strength.

Her encouragement, determination, and commitment to excellence have helped shape the culture of PRDC and quietly supported countless families.

Though she is stepping out of her formal position, we are grateful she will still remain connected, and we look forward to seeing what God does in her life.

Tammy's impact on PRDC – and on each of us – will be lasting. While we will miss her more than words can say, we are excited for the new chapter she is stepping into and all the joy it will hold.

THANK YOU!

PRDC *Partners*

At the PRDC, partnership is at the heart of everything we do. We are so grateful for the businesses, organizations, and churches that stand beside us to serve women, children, and families in our community.

Together, we are creating pathways for hope and flourishing. If your business, organization, or church is looking for a meaningful way to make a local impact, we would love to invite you to partner with us and be part of the story.

We also believe that partnership goes both ways. Just as others generously support our mission, we are committed to being a strong and faithful partner in return—sharing about their work, celebrating their impact, and helping spread the word about the good they are doing in our community.

We are proud to stand alongside those who are making a meaningful difference locally.

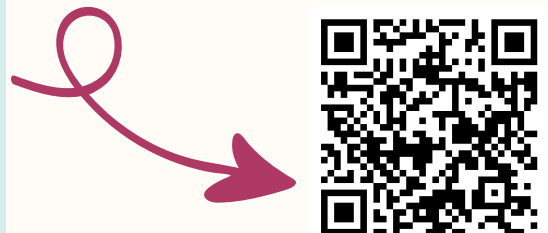

Our Partnership Goal is

\$75,000
in 2026
